EXAMINER'S COMMENTS

1. This Office action is in response to the reply filed on December 27, 2008.
2. Claims 6 through 11 are allowed.
3. Receipt and entry of the amended abstract is hereby acknowledged.
4. The replacement drawings were also received on December 27, 2008. These drawings however are still of poor line quality (particularly with regard to the reference characters) and are objected to for the same reasons set forth in the objection to the drawings as cited in the previous Office action
5. New corrected drawings in compliance with 37 CFR 1.121(d) are required in this application because both the original drawings filed on June 17, 2005 and the replacement drawings filed on December 27, 2008 are of unsatisfactory line quality, as previously indicated. Applicant is advised to employ the services of a competent patent draftsman outside the Office, as the U.S. Patent and Trademark Office no longer prepares new drawings. The corrected drawings are required in reply to the Office action to avoid abandonment of the application. The requirement for corrected drawings will not be held in abeyance.
6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ljiljana (Lil) V. Ciric whose telephone number is 571-272-4909. The examiner works a flexible schedule, but can normally be reached weekdays between 10:30 a.m. and 6:30 p.m.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Cheryl J. Tyler can be reached on 571-272-4834. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
